

Curriculum Vitae

Eric R. Kandel, born November 7, 1929 in Vienna, Austria. American citizen

Address: Center for Neurobiology and Behavior, Columbia University, 1051 Riverside Drive, New York, NY 10032, USA

Academic Education and Appointments

- 1956 MD, New York University School of Medicine
- 1960-64 Resident in Psychiatry, Harvard Medical School, Boston
- 1964-65 Staff Psychiatrist, Harvard Medical School, Boston
- 1965-74 Associate Professor, Dept of Physiology and Psychiatry, New York University
- 1974- Professor, Dept of Physiology and Psychiatry, Columbia University
- 1992- Professor, Dept of Biochemistry and Molecular Biophysics, Columbia University
- 1974-83 Director, Center for Neurobiology and Behavior, Columbia University
- 1983- University Professor, Columbia University
- 1984- Senior Investigator, Howard Hughes Medical Institute, Columbia University

Awards

- 1959 Henry L Moses Research Award, Montefiore Hospital
- 1977 Lester N Hofheimer Prize for Research
- 1977 Lucy G Moses Prize for Research in Basic Neurology
- 1979 Solomon A Berson Medical Alumni Achievement Award
- 1981 Karl Spencer Lashley Prize in Neurobiology
- 1982 The Dickson Prize in Biology and Medicine
- 1983 Albert Lasker Basic Medical Research Award (shared with VB Mountcastle)
- 1984 Lewis S Rosenstiel Award for Distinguished Work (shared with D Koshland)
- 1984 Howard Crosby Warren Medal
- 1985 American Association of Medical Colleges Award
- 1987 Gairdner International Award for Outstanding Achievements in Medical Science
- 1988 National Medal of Science
- 1988 Gold Medal for Scientific Merit

- 1989 Distinguished Service Award of the American Psychiatric Association
- 1989 Award in Basic Science, American College of Physicians
- 1989 Robert J and Clarie Pasarow Foundation Award in Neuroscience
- 1990 Diploma Internacional Cajal
- 1991 Bristol-Myers Squibb Award for Distinguished Achievement in Neuroscience Research (shared with TVM Bliss)
- 1992 Warren Triennial Prize
- 1992 Jean-Louis Signoret's Prize on Memory
- 1993 Harvey Prize
- 1993 FO Schmitt Medal and Prize in Neuroscience
- 1995 Stevens Triennial Prize
- 1996 NY Academy of Medicine Award
- 1997 Gerard Prize for Outstanding Achievement in Neuroscience (Soc of Neuroscience)
- 1997 Charles A Dana Award for Pioneering Achievement in Health (shared with P Greengard)
- 1999 Wolf Prize in Biology and Medicine, Israel

The Nobel Assembly at Karolinska Institutet
